

## ORDERING INFORMATION FOR PEDS and the PEDS:DM

Item Description		What do I need to order?
<p><b>What is PEDS?</b></p> <p><b>PEDS</b></p> <ul style="list-style-type: none"> <li>• is a 10 question, validated, accurate screen eliciting parents' concerns, in their own words, about their child's development and behavior. It takes about 5 minutes for parents to complete, and 1- 2 to for clinician to score.</li> <li>• reveals whether to refer, give advice, provide watchful waiting, screen further or reassure.</li> <li>• reduces "oh by the way" concerns, increases attendance at well-visits.</li> <li>• can be used with children of any age from birth until 8 years of age.</li> <li>• includes a Brief Guide to Administration, a Response Form, a longitudinal Score /Interpretation Form, and an optional Manual for case examples, how to explain results to families, parent education handouts, etc..</li> </ul>		<p style="text-align: center;"><b>What do I need to order?</b></p> <p style="text-align: center;"><i>PARENTS' EVALUATION OF DEVELOPMENTAL STATUS</i></p> <ul style="list-style-type: none"> <li>• <b>First Timers:</b> Order <b>#705-PEDS Complete Set</b> (Brief Guide, 1 pad of 50 PEDS Response Forms, 1 pad of 50 Score/Interpretation Forms). This is enough material to screen 50 children). It is a good idea to also order <b>#500</b> the <b>manual, "Collaborating with Parents."</b> See order form for information on foreign language translations and electronic applications.</li> <li>• <b>Reorders-Small Clinics:</b> Each clinician using PEDS should have a <b>#300-Brief Guide</b> and each clinic should have a <b>copy of #500-"Collaborating with Parents."</b> Reorder equal amounts of <b>#700-PEDS Response Forms</b> (pads of 50) and <b>#720-PEDS Score/Interpretation Forms</b> (pads of 50). (See order form for Spanish or Vietnamese versions of PEDS forms.)</li> <li>• <b>Re-orders-Large Clinics:</b> You'll probably want to request a <b>#740-Discounted Bulk Order</b> (a 25% discount from individual pads) consisting of 20 Brief Guides, 20 pads of 50 Response Forms and 20 pads of 50 Score/Interpretation Forms. This will screen 1000 children.</li> <li>• <b>Re-orders-HMOs, Clinic Network:</b> If you need 50 or more bulk orders (screens for 50,000 children or more during a year or so) and are willing to have them sent to a single address, please email <a href="mailto:evpress@pedstest.com">evpress@pedstest.com</a>. We have a discount schedule that can save you 30% to 50%.</li> </ul>
<p><b>What is the PEDS:DM? PEDS:Developmental Milestones</b></p> <p><b>THE PEDS:DM</b></p> <ul style="list-style-type: none"> <li>• is a 6-8 items per visit focused on children's skills in each developmental domain: fine motor, gross motor, expressive language, receptive language, self-help, social-emotional, and for older children preschool and school skills. The questions take about 5 minutes to complete and 1 minute to score.</li> <li>• is designed for children at any age from birth until age 8, the measure consists of a laminated book of questions upon which parents mark answers with a dry erase marker. Marks are wiped off in preparation for re-use with the next family. To score, a single template is placed over the completed page to reveal each milestone not met.</li> <li>• replaces informal milestones checklists (known to miss 70% of children with problems) with proven, validated, and accurate items.</li> </ul>		<p style="text-align: center;"><b>PEDS:DM for Pediatric and Public Health Encounters</b></p> <p><b>800-PEDS:DM for Pediatric and Public Health Encounters (starter kit)</b> Includes: <b>PEDS:DM Family Book</b> (in English or Spanish) consisting of reusable laminated forms; 100 longitudinal <b>PEDS:DM Recording Forms</b>; and a <b>Binder Case</b> housing the scoring template and storage for the Family Book, manual, dry erase marker, and clip to secure the correct page. The starter kit also includes the <b>PEDS:DM Professional Manual</b>.</p> <ul style="list-style-type: none"> <li>• <b>First Timers:</b> Order <b>#800-PEDS:DM for Pediatric and Public Health Encounters starter kit</b> (see order form for Spanish or Vietnamese versions of PEDS Forms).</li> <li>• <b>Small Clinic:</b> Order <b>#800-PEDS:DM for Pediatric and Public Health Encounters starter kit</b> plus enough <b>#810-Family Books</b> (or <b>#815 Family Book in Spanish</b>) for each well visit scheduled at the same time.</li> <li>• <b>Large Clinic:</b> Order enough of the above <b>#800 starter kits</b> for each nurses' station, plus enough <b>#810-Family Books</b> (or <b>#815 Family Book in Spanish</b>) for each well visit scheduled at the same time.</li> <li>• <b>Re-orders:</b> Reorder <b>#820-PEDS:DM Recording Forms</b>.</li> </ul>

Item Description		What do I need to order?
<b>What is the PEDS:DM (cont'd)?</b>		
<p><b>THE PEDS:DM (CONT'D)</b></p> <ul style="list-style-type: none"> <li>• includes a developmental promotion component by encouraging parents, once they've completed the questions, to read a short story to their children about age-appropriate parent-child interactions. Online applications are coming soon. See <a href="http://www.pedstest.com">www.pedstest.com</a> for updates.</li> <li>• the PEDS:DM Recording Form is used to record answers and can be re-used with each child to produce a graph of progress over time.</li> <li>• the PEDS:DM manual contains information on parenting, billing and coding, and directions for using the PEDS:DM alone, in combination with PEDS, or with screens of parent-child interactions, psychosocial risk, resilience, ADHD, and autism spectrum disorders, along with parent information handouts, case examples, and training guides.</li> <li>• For NICU follow-up and early childhood settings, the assessment level version of the PEDS:DM presents more items at once and produces age-equivalent scores.</li> </ul>		<p><b>THE PEDS:DM FOR EARLY CHILDHOOD AND NICU</b></p> <p><b>805-PEDS:DM for Early Childhood and NICU follow-up (starter kit)</b> Adds to the PEDS:DM starter kit the <b>PEDS:DM Assessment Level</b> (in Spanish or English) which offers more items at each encounter and produces age-equivalent scores in 7 domains: fine motor, gross motor, expressive language, receptive language, self-help, social-emotional, and, for older children, pre-academic/academic skills. The Assessment Level includes the laminated <b>PEDS:DM Family Book</b> (with illustrations needed for the Assessment Level administration); 50 <b>PEDS:DM Assessment Level Booklet</b> (reusable over time with the same child); and the <b>Longitudinal Growth Chart</b> (printed on the back of the Assessment Level booklet) for sharing results with families. This version of the PEDS:DM can be mailed out, completed in waiting exam rooms, or administered directly to children by teachers, clinicians, etc. For children less than 3 years of age, the PEDS:DM Assessment Level can also be administered via telephone interview.</p> <ul style="list-style-type: none"> <li>• <b>First Timers:</b> Order <b>#805-PEDS:DM for Early Childhood and NICU follow-up starter kit</b>.</li> <li>• <b>Small and Large Clinics:</b> Order <b>the #805 starter kit</b> plus enough <b>#810-Family Books</b> and <b>#840-Assessment Level Booklets</b> (or #815 and #845 for Spanish) for each visit scheduled at the same time.</li> <li>• <b>Re-orders:</b> Reorder <b>#810-PEDS:DM Assessment Level Booklet</b> (or #815 for Spanish booklet).</li> </ul>
<b>What is THE BEST APPROACH? TO USE BOTH PEDS AND THE PEDS:DM!</b>		
<p><b>PEDS:DM PLUS PEDS</b> <b>THE BEST APPROACH</b></p> <ul style="list-style-type: none"> <li>• adding PEDS to the PEDS:DM (both at the same time, or the PEDS:DM as needed) offers good compliance with American Academy of Pediatrics policy: eliciting and addressing parents' concerns at each encounter, monitoring milestones, and screening with validated tools periodically.</li> <li>• using PEDS and PEDS:DM together improves communication between families and providers, increases the likelihood of attendance at follow-up visits, and offers optimal program evaluation/research metrics.</li> </ul>		<p><b>850-PEDS:DM plus PEDS: The Best Approach for Pediatric and Public Health Encounters</b> includes the <b>PEDS:DM starter kit</b> plus 100 <b>PEDS Response Forms</b> and the <b>PEDS Brief Guide</b>. The <b>PEDS:DM Recording Form</b> (100 supplied with each order) includes the PEDS Scoring/Interpretation Form that identifies when the PEDS:DM is needed.</p> <ul style="list-style-type: none"> <li>• <b>First Timers:</b> Order <b>#850-PEDS:DM plus PEDS: The Best Approach for Pediatric and Public Health Encounters</b>.</li> <li>• <b>Re-orders:</b> Reorder <b>#700-PEDS Response Forms</b> (or 710 or 730 for Spanish or Vietnamese) and <b>#820-PEDS:DM Recording Forms</b>.</li> </ul> <p><b>807-PEDS:DM and PEDS for Early Childhood and NICU follow-up: The Best Approach for NICU follow-up and Early Childhood</b> includes with the <b>PEDS:DM starter kit</b>, 50 <b>PEDS Response Forms</b> and the <b>PEDS Brief Guide</b>.</p> <ul style="list-style-type: none"> <li>• <b>First Timers:</b> Order <b>#807-PEDS:DM and PEDS for Early Childhood and NICU follow-up</b>.</li> <li>• <b>Re-orders:</b> Reorder <b>#700-PEDS Response Forms</b> (#710 or #730 for Spanish or Vietnamese) and <b>#720-PEDS Score/Interpretation Forms</b>, and additional <b>#840-Assessment Booklets</b> (or #845 for Spanish).</li> </ul>
